

South Orange and Maplewood School District

# We ought to have our heads examined!

*Join the Parenting Center, doctors from Maplewood Family Medicine, and local Lice Professionals for an evening of information and demonstration about...*

## LICE (Pediculosis)

Thursday, February 11, 2010  
6:30 PM – 8:00 PM  
Clinton School Cafeteria  
27 Berkshire Road, Maplewood

*...to help everyone whether they have experienced head lice or not.*

### Agenda

1. Get informed about the cycle of lice
  - transmission
  - prevention
2. Dispel myths and clarify facts such as:

<b>Myth</b>	<b>Fact</b>
<i>One should be embarrassed about getting head lice</i>	<i>“Getting head lice is <u>not</u> related to the cleanliness of the person or their environment”...CDC</i>

3. Visit demonstration stations run by doctors from Maplewood Family Medicine and Local Lice Professionals:
  - How do I look for head lice?
  - What are the options for treatment?
