Seth Boyden School

274 Boyden Ave., Maplewood

Help your child experience the fun and joy of Math while building important skills!
Join Math Specialist Katie Costello for a workshop on:

- Curriculum – What are students learning in the classroom?
- Games activities and strategies for parents and students to use at home.

The "Leap to Success" subcommittee is a diverse group of parents/guardians who are committed to closing the achievement gap and ensuring every child's path toward educational success.
